Dear Mr. Smith,

Letter of Invitation

I present my compliments and extend kingdom greetings to you in the name of our Lord and Advocate Jesus Christ.

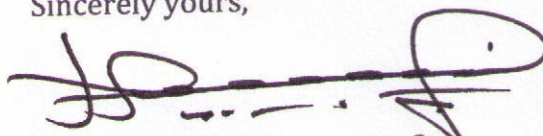

Permit me to express our gratitude and thanks to CitiImpact Ministries for its consideration to partnership with our beloved country Liberia and its people. Our nation experienced one of the worse civil wars in our time, which destroyed its social, economic and infrastructural fabrics of society. This venture is greatly welcomed and needed in our efforts as a nation to rebuild our country.

It is in this vain that I write this letter of invitation to CitiIMPACT Ministries to visit Liberia, which will help you better identify and prioritize the needs of Liberians. I propose that the visit of a small assessment team be made any time between 29th August and 15th September 2011. My office will work along with you to plan your schedule and make all the necessary appointments to meet the relevant authorities and organizations in Liberia.

The needs of our nation are enormous and partners like you, especially being a faith-based organization, are wholeheartedly welcomed to help rehabilitate the "total man" -spirit, soul and body.

We look forward to this partnership and pray that the Lord will grant you the wisdom to fulfill you vision.

Sincerely yours,

07-01-2011

Rev. Jervis A. Witherspoon, Sr.
